Master of Financial Economics 2020

mfe.utoronto.ca

The MFE is a world-class limited-enrollment professional program offered by the University of Toronto's Department of Economics in collaboration with the Rotman School of Management.

The program provides a broad understanding of financial theory and the economics framework upon which that theory is based.

Students are equipped with the knowledge and tools required to build successful careers in finance through both the classroom and work experience in the financial services sector.
